Product Information

Quelle QX - Advanced 20W50 SL

Description

A gasoline engine oil, formulated with solvent refined base oils and a well- balanced choice of additives. This engine oil has the following properties:

- a very powerful detergency prevents deposits in the engine
- a very strong dispersion that prevents from precipitation and sludge
- a powerful activity against corrosion and foam
- a high and stable viscosity index
- a powerful activity against wear resulting in strongly reduced wear of piston-rings and cylinder-liners

Application

This engine lubricant is applicable to gasoline and diesel engines (normally- or turbo-aspirated) even under the toughest operation conditions and all the year round. This engine oil has a special additive system and may therefore be used, when fuels with relatively high Sulphur contents are involved. This special quality of engine oil is mainly developed to allow extended oil drain intervals
